

Harveen Bedi

Growth Coach

Harveen comes with more than twenty-nine years of varied industry experience. At the onset of his career, Harveen worked with Nestle India for over seven years in sales, distribution & marketing divisions from where he made his way to Info Edge India Ltd (www.naukri.com).

Within Info Edge, for sixteen plus years Harveen successfully grew & headed and grew diverse businesses such as Naukri sales, Quadrangle, Executive Search, Fast Forward resume services, e-hire services.

Over the years, Harveen's urge to make a deeper impact on Business Leaders has made him transition into learning different aspects of leadership coaching from the world's top coach training organizations like Erickson international, ICF, Dr Demartini, Blair Singer, Corporate Connections Forums, Bloom Growth... etc. He personally believes in adding a new certification each year, which enables him to add disproportionate value to his client's growth journey.

He is on a personal mission to grow leaders & and make their journey more meaningful & fulfilling. For this he works with Business owners and their Leadership teams on creating and executing their visions & goals through prioritization & simplification tools.

In addition to this he is a Director with Corporate Connections a global business network and also consults in the Corporate Social Responsibility (CSR) space in the education and livelihood domains.

Harveen strongly believes that it is important for one to learn & work on their strengths so that you can thrive and create a legacy.

On the personal front Harveen is married for 25+ years to Savneet Bedi who coaches women on improving their relationships at home and office. They both are based out of Noida in Delhi region and are blessed with a loving daughter who works as a Brand Manager in an FMCG Company and an affectionate son who is studying Finance & economics.

Harveen's core Values are authenticity, fairness, respect and he enjoys interactions with a sense of humour.
