

Anish Patel

Entrepreneur | Motivational Speaker

Author | Meeting Facilitator

Business Coach | Growth Coach

Forum Facilitator | Retreat Facilitator

Anish is the Managing Director at Aims Oxygen Pvt Ltd, AOPL, a company with 60+ years of experience in manufacturing and selling industrial and medical gases. An MBA by qualification, he spearheads the company with his innovation-driven management skills.

As the Founder of The Mind Maestro, Anish curates comprehensive and customized training modules to empower people both individually and professionally. He guides people to develop their vision, purpose, values, strategies, and leadership skills through his expertise in Executive and Leadership Coaching. His proficiency lies in identifying strengths and redirecting energies to a more productive space, in turn, resulting in high performance and enhanced outputs. He is a certified Business and Growth Coach and helps Entrepreneurs build a commercially profitable organization that works without them. He empowers leaders and entrepreneurs to unleash their fullest potential, achieve a state of heightened awareness, and create a balance across all life spheres. He has engaged personally with over a thousand entrepreneurs helping them individually and professionally.

Anish has been associated with Entrepreneurs' Organization, EO, for over 10 years in various roles, as a member, a member-leader, Certified Forum Facilitator, President - Entrepreneurs Organization Gujarat Chapter and Global Chair-Leadership Development & Training.

He has a rich experience in working with Forums globally and has been successful in enhancing their Forum experiences. He is also actively involved in organizations like The Confederation of Indian Industry's Young Indians and All India Industrial Gases Manufacturers Association.

His Latest book "Conscious Leadership" introduces a transformative approach to leadership by blending spirituality, soulfulness, compassion, and authenticity into decision-making. It offers a fresh perspective for entrepreneurs seeking to find peace and balance not just in their work but also in life. Through personal, vulnerable stories from his own experiences in both family and work, he aims to inspire a more collaborative and conscious path to leadership that elevates both the individual and the collective.

Throughout his 23 years of professional experience, Anish has firmly believed that passion and sense of purpose fuels successful strategies and creates successful organizations. He is approachable, patient and helps others see their blind spots. Anish has been sharing his wide range of life experiences and learnings in his journey through training, coaching and facilitation. He also believes in philanthropy and does so through Round Table, United Way, and the socio-spiritual organization BAPS.

Anish is married and has two lovely daughters, he lives in Gujarat, India with his family.
