# AARTHY RAJNIKANTH

BUSINESS GROWTH COACH
FORUM FACILITATOR
EDUCATIONAL PSYCHOLOGIST
ENTREPRENEUR

Aarthy Rajnikanth, a passionate educator and coach, is on a dedicated mission to unlock the full potential of individuals. With a diverse background, she embodies a fervent commitment to fostering growth through a relentless pursuit of knowledge.

In her impactful role as a Growth Coach, Aarthy serves as a catalyst for entrepreneurs and leadership teams, propelling them beyond operational boundaries to focus on strategic business growth and development. As a Forum Facilitator at EO (Entrepreneurs' Organization), she orchestrates dynamic forums that serve as crucibles for personal and professional transformation.

Aarthy's academic journey includes a transformative stint in the Goldman Sachs 10,000 Women Program at IIM Bangalore, where she honed invaluable skills in business, leadership, and business growth.

Her expertise extends to Educational Psychology, where she specializes in unraveling the intricacies of learning psychology, empowering individuals to leverage their latent strengths. Aarthy's multifaceted background also encompasses navigating the helm of a vast retail empire, managing IT solutions distribution, retail, and overseeing the operations of two spinning mills, providing her with unparalleled insights into the dynamics of business.

Aarthy's professional prowess is augmented by her core strengths—a profound ability to act as a Developer, nurturing the growth of others. Her empathetic approach builds trust, and as a Lifelong Learner, she embraces new experiences with zeal. The intellectual facet of her personality, marked by Intellection, propels her to seek profound insights. Aarthy's proficiency in gathering and synthesising information, indicated by her Input strength, adds a strategic edge to her capabilities.

Aarthy Rajnikanth is married and has two sons, she lives in Coimbatore, India with her family, cherishing moments of togetherness and exploring new horizons in her journey of lifelong learning.
